### AWARDS

Best of Show: Ribbon and \$25.00

Top Exhibitor of Grain, Vegetables and Fruits (based on total monies won): Ribbon and \$25.00

Top Junior Exhibitor (based on total monies won): Ribbon and \$25.00

*Individuals may not receive awards for two consecutive years.*

### SUGGESTIONS FOR PREPARING VEGETABLES FOR EXHIBITION

1. Be sure vegetables are clean. **DISPLAY ON YOUR OWN WHITE PAPER PLATES.**
2. Vegetables such as potatoes and onions are judged on ability to keep, therefore do not over peel onions. Remove onion roots. Dig and dry them several weeks before the show. Do not remove all the outer leaves on cabbage as well.
3. Remove tops from carrots, beets, and onions allow 2" of stem. Follow suggestions in Hort Fact Sheet #VG-24-SL from the University of Illinois County Extension Office.
4. Vegetables are judged on basis of quality, not largest (unless so stated), condition of fresh and fit to each, free from disease and insects, and uniform samples.
5. Do not husk sweet corn, just remove silks.
